

lating to the revocation of licenses upon conviction of a criminal offense has likewise been passed by the Senate.

Discussion was held on a bill to provide federal, state and county aid to the permanently and totally disabled. On motion duly made and seconded, it was voted to draw up an appropriate resolution in opposition to this measure and to express this opposition to the American Medical Association.

5. *Establishment of Per Diem and Mileage Allowances:*

On motion duly made and seconded, it was voted to establish the per diem expense allowance of officers and councilors at \$25 and automobile mileage allowance at 8 cents per mile, effective as of May 15, 1951.

6. *Compensation of Editor:*

Discussion was held on the compensation to be paid the Editor, the opinion being expressed that his present compensation was inadequate. The Executive Committee was asked to review this and report its recommendations to the next Council meeting.

7. *Advisory Planning Committee:*

Mr. Hunton, chairman of the Advisory Planning Committee, discussed the report of that committee on a "grass roots" public relations program for the Association, based upon strengthening the individual physician-patient relationship. The entire report of the committee was read to the Council, including recommendations for employment of three field representatives, establishment within the county medical societies of active programs in the public interest, publication of pamphlets which physicians might give to their patients and advertising of the availability of such pamphlets. A cost of about \$80,000 was estimated. In executive session the Council voted approval of this program and its establishment under the direction of the Executive Committee.

8. *Committee on C.P.S. Functions:*

Discussion was held on the possible membership of a committee to look into various aspects of California Physicians' Service, as requested in a resolution approved by C.P.S. Administrative Members. On motion duly made and seconded, it was voted to authorize the Executive Committee to consider nominations for this committee and to make appropriate appointments.

9. *Time and Place of Next Council Meeting:*

It was announced by the Chairman that the next meeting of the Council would be held in San Francisco on Saturday, June 23, 1951. (Subsequently, the Chairman reset the date of the meeting to June 24, 1951, to avoid a conflict with other sessions.)

Adjournment:

There being no further business to come before the meeting, it was adjourned at 11:40 a.m.

SIDNEY J. SHIPMAN, M.D., *Chairman*
ALBERT C. DANIELS, M.D., *Secretary*
